(1) In Ontario, status as a sole practitioner is determined solely by a lawyer's status and does not take into account the size of the law firm at which they work. This number represents the total number of lawyers with a status that indicates they are a Sole Practitioner, regardless of whether or not they work by themselves or with others.										© Federation of Law Societies of Canada 2016				
Firms include both law firms and legal clinics. The business size is determined by the number of licensees attached to the business.
